Ole sen

Ole Sen is a composer and multi-instrumentalist from Norway. After 15 years in Latin-America he returned to Oslo where he is now part of several musical projects ranging from folk music fusion, and indie rock, to language learning through music and musical therapy.

Ole plays a variety of instruments such as charango, langleik, bouzouki, panduri, koto, adungu etc and loves to incorporate the lesser known instruments around the world in his musical projects
